REAL SKIN CARE. REAL RESULTS.

SKINCARE THAT WORKS

We believe healthy looking, radiant skin can be achieved by everyone. Ultraceuticals products have been developed to ensure optimal skin results for our customers whilst balancing this with packaging that is environmentally considerate and products not tested on animals.

FOR YOUR BEST EVER SKIN

“I have spent over twenty years as a cosmetic physician working with clients exposed to one of the harshest conditions in the world - the Australian sun. I established Ultraceuticals in 1998 as a concise **science-based skincare** range to address the major skin concerns. Ultraceuticals products are developed using **optimal concentrations** of scientifically proven and potent ingredients in cutting edge **consumer-trialled formulations**. Ultraceuticals is available solely where trained skincare advisors can provide professional recommendation.”

Cleanse

Ultra B² Micellar Solution 200mL

This no rinse micellar solution thoroughly cleanses to remove impurities and makeup on the face, lips and eyes without stripping the skin.

Ultra Balancing Gel Cleanser 200mL

Light lathering, non-stripping gel cleanser formulated to thoroughly cleanse and remove surface impurities and makeup without disturbing the skin's natural moisture balance.

The start of any good skincare regimen begins with the right cleanser. These cleansers perfectly prepare and condition the skin for the application of Ultraceuticals corrective serums.

Ultra Hydrating Milk Cleanser 200mL

Rich, milky cleanser formulated to gently cleanse and nourish the skin. Removes makeup and daily residue while leaving the skin perfectly hydrated.

Ultra Gentle Exfoliating Gel 200mL

Contains exfoliators, Jojoba esters and AHAs (Alpha Hydroxy Acids) to help decongest and remove surface impurities without stripping skin of vital moisture.

Eyes

Ultra Soothing Eye Make-Up Remover 130mL

This gentle bi-phase formula delicately cleanses and nourishes the sensitive eye area. Lightly scented with a naturally refreshing cucumber extract to calm and soothe the skin.

Ultra Moisturiser Eye Cream 15mL

This lightweight eye cream helps retain and promote long lasting hydration. This formula contains a potent blend of powerful moisturising ingredients leaving the eye area soft, smooth and hydrated for up to 24 hours.

This range of products is specifically designed to target the delicate eye area. The skin around the eye area is different to the rest of the face. It is considerably less dense, may be more sensitive and can be one of the first areas to show signs of premature skin ageing.

Application of eye cream

Dispense a small amount of eye cream (about the size of a grain of rice). Starting at the arch of the brow, begin gently spreading the eye cream, following the orbital bone out toward the temple. Repeat underneath the eye towards the nasal ridge.

Ultra A Perfecting Eye Cream 15mL

Helps hydrate and plump to reduce the appearance of fine lines & wrinkles around the delicate eye area. Contains our proprietary Ultra-RETI™ (Retinol complex) microparticles and firming peptides.

Ultra C Firming Eye Cream 15mL

This advanced age defying cream contains Ascorbic Acid (pure vitamin C) and peptide MicroElastin® Complex to visibly improve skin elasticity, firmness and instantly smooth the delicate eye area. The Pro Collagen formula has also been enhanced with a potent cocktail of ingredients to help condition and hydrate the skin.

Loss of Firmness

Ultra C Firming Serum 30mL

This age-defying serum contains two powerful peptides (MicroElastin® & MicroCollagen) and Ascorbic Acid (Pure Vitamin C) to help promote supple looking skin. Leaves skin looking revitalised, healthy and youthful.

Ultra C Firming Concentrate 30mL

Combines pure Vitamin C (L-ascorbic acid) in a CSIRO* developed delivery system with powerful peptides MicroElastin® and MicroCollagen to help visibly improve skin resilience and firmness for more youthful looking skin.

The Ultra C range is a potent age-defying range that visibly improves skin firmness and provides Vitamin C, a well-known antioxidant.

Ultra Dual Microfoliant 75mL

A dual-action exfoliator featuring physical absorbable micro-fine pure Vitamin C exfoliating particles and the powerful enzyme Bromelain. Suitable for normal, dry or oily skin.

Fine Lines & Wrinkles

An anti-aging must-have. The Ultra A Range has been formulated with more stable pure Vitamin A (Retinol) to condition and smooth the appearance of fine lines and wrinkles.

Ultra A Skin Perfecting Serum Mild 30mL

Containing an effective moderate level of our proprietary Ultra-RETI™ (Retinol complex) microparticles, this serum significantly conditions and smooths the appearance of fine lines and wrinkles to deliver a youthful-looking and radiant complexion.

Ultra A Skin Perfecting Serum 30mL

This star-performer contains high levels of our proprietary Ultra-RETI™ (Retinol complex) microparticles to significantly condition and smooth the appearance of fine lines and wrinkles. Delivers a smooth, youthful-looking and radiant complexion. Suitable only for skin pre-conditioned with Ultra A Skin Perfecting Serum Mild.

Ultra A Perfecting Intense Booster 30mL

Contains a potent level of our proprietary Ultra-RETI™ (Retinol complex) microparticles to significantly condition and smooth the appearance of fine lines and wrinkles. Delivers a smooth, youthful-looking and radiant complexion. Suitable only for skin pre-conditioned with Ultra A Skin Perfecting Serum.

Uneven Complexion and Lack of Radiance

The Ultra Brightening Range helps combat an uneven complexion and dull skin tone like never before.

Formulated with a unique complex of well-known skin brighteners and exfoliants to give the skin ultimate luminosity and radiance.

Ultra Brightening Foaming Cleanser 150mL

This silky foam cleanser is formulated to gently remove daily residue and all traces of make-up, leaving the skin looking brighter, refreshed and more radiant.

Ultra Brightening Serum 30mL

Contains a powerful complex of brightening ingredients (including oxyresveratrol) and exfoliators (AHAs & BHA) to help visibly even skin tone and provide more luminous youthful looking skin.

Ultra Brightening Moisturiser Cream 75mL

This silky moisturiser nourishes the skin's lipid barrier, leaving the skin feeling perfectly hydrated up to 24 hours. Formulated with a complex of skin brightening ingredients for a brighter, more even and radiant complexion.

Ingredient spotlight

Whilst we use synthetic versions of these ingredients, in nature AHAs, or Alpha Hydroxy Acids (Citric Acid & Lactic Acid) are commonly found in fruit and milk. BHA, or Beta Hydroxy Acid (Salicylic Acid) is found in Willow Bark. Both AHAs and BHA are well documented in published medical journals for their superb exfoliating abilities to help provide more youthful looking skin.

Ultra Smoothing Pore Refiner 50mL

Refines the appearance of pores, smooths skin's texture and improves overall skin luminosity and radiance. Featuring exfoliators AHAs and BHA with brightening agents Willow Bark extract and Niacinamide.

Even Skintone Smoothing Moisturiser 75mL

This moisturiser helps promote healthy skin and supports the skin's Natural Moisturising Factor (NMF). This state-of-the-art formula features Niacinimide (Vitamin B3) and Ethyl Ascorbate which have been shown to help smooth and even out the skin tone.

Acne & Congestion

The Ultra Clear Range combines powerful exfoliators (Mandelic Acid & Salicylic Acid) with antioxidant Clove Oil and Skin conditioners (Vitamin E Phosphate, Allantoin & Aloe Vera) to help address skin prone to congestion and acne.

Ultra Clear Foaming Cleanser 150mL

Lightweight, foaming cleanser featuring a potent formula to help clear excess sebum. Works to remove dirt, debris, makeup and excess surface sebum to aid in the prevention of clogged pores and leave skin feeling refreshed.

Ultra Clear Treatment Lotion 50mL

Utilises a blend of active ingredients including powerful exfoliators including Mandelic Acid and Salicylic Acid to target congestion, clear blemishes and help comfort the skin.

Ultra Clear Spot Complex 10mL

This formula has been designed to target spots. It exfoliates to help clear blemishes.

Sensitive Skin

The Ultra Calming range is an effective duo designed to moisturise, calm, soothe and reduce the sensitivity of skin affected by environmental triggers such as climate, heat, pollution or harsh cosmetic products.

Ultra Calming Cleanser 200mL

Designed for sensitive skin, this ultra mild cleanser gently lifts away surface debris, excess oils and makeup while helping to support the skin's natural protective barrier. Moisturises, comforts and soothes sensitive skin. Suitable for use around eyes. Dermatologically tested. Non-comedogenic. Hypoallergenic.

Ultra Calming Moisturiser Cream 75mL

Features a powerful blend of Ceramides, Prebiotics and Phytosterol to help hydrate, condition and support the skin's lipid barrier to address sensitive skin. Designed to calm and soothe discomfort experienced by sensitive skin. Leaves skin looking and feeling supple, hydrated, and healthy in appearance. Dermatologically tested. Non-comedogenic. Hypoallergenic.
